## **HAIR/TIGHTS/SHOES REQUIREMENTS FOR RECITAL – 2010**

### **“Dance With Me!!”**

Below is a list of the hair, tights, and shoes requirements for each class for the October Recital. Please note that we do not allow shiny tights – all tights should be nylon. We realize that you may be in two different classes with two different hair styles. We will provide assistants backstage to be sure that the performers are able to have their hairstyle changed. We will also be sure that there will be plenty of time allotted between the dances to enable the hairstyles to be changed.

**\*\*hair in low bun or low ponytail** – Hair is to be jelled back (no bangs) for all low buns and low ponytails. All low buns and ponytails should have the hair parted on the right side and pulled back into a low bun or ponytail. **Low ponytails must be curled**. Hair requiring rhinestones – 3 rhinestones can be purchased on picture day for \$3 per set. If you will not be at picture day, please see Janet.
